Giving Birth To Our Ship

The image features a serene landscape with a body of water in the foreground, reflecting the sky. A large, white, torn-paper-like overlay covers the middle section of the image, creating a layered effect. The sky above is a vibrant golden-yellow, suggesting a sunset or sunrise. The water is a calm blue-grey, with some green patches visible in the distance. The overall mood is peaceful and contemplative.

A photograph of two vibrant red macaws perched on a light-colored, textured tree branch. The macaws have bright red plumage, blue and green wing feathers, and white faces with black markings around their eyes. They are facing each other, with one slightly behind the other. The background is a soft-focus green, suggesting a natural habitat. Overlaid on the left side of the image is a dark blue triangular graphic with thin white lines. The word "People" is written in a large, bold, lime-green sans-serif font across the center of the image, partially overlapping the macaws and the graphic.
